

## The ACTIONNetwork

**ACTION accelerates the success of cleantech entrepreneurs that are supported by our member incubators.** The ACTIONNetwork is dedicated to providing cleantech startups with a variety of support services to facilitate commercialization.

- State-of-the art R&D facilities
- Office space and administrative support
- Research and patent collaboration
- Business mentoring & professional services
- Prototyping and testing facilities
- Advanced manufacturing support
- Warehousing and light manufacturing space
- Access to university resources & faculty
- Lab facilities

The breadth of our incubator network offers entrepreneurs a diverse hub of knowledge, experience, and resources that is most often unavailable from a single incubator.

## OUR MEMBER LOCATIONS

**Our member incubators are located in each of the New England states. ACTION is also forming partnerships with incubators and cleantech clusters worldwide.**

ACTION incubators collectively support over 190 early-stage cleantech entrepreneurs working in:

- Renewable or Clean Energy Generation
- Infrastructure, Smart Grid, Energy Storage
- Energy Efficiency and Building Systems
- Transportation and Biofuels
- Waste-to-Energy
- Sustainable Management of Materials
- Agriculture, Soil and Water

**Find a listing of incubators on our website,

## WHO WE ARE

ACTION, The Association of Cleantech Incubators of New England, a non-profit organization, is the region's network of cleantech incubators sharing the common goals of:

*Accelerating the growth and success of early-stage cleantech companies*

*Strengthening the regional cleantech cluster*

*Contributing to job creation and economic growth in New England*

Our member network provides diverse resources and a highly-supportive hub in which entrepreneurs, business leaders, government agencies, community leaders, investors, universities, and other interested organizations can collaborate toward the successful commercialization of enterprises that will build a prosperous green economy, improve the quality of our lives and sustain the health of our environment.

## WHAT WE OFFER ENTREPRENEURS

Are you considering business incubation for your cleantech startup? ACTION's startup referral program will match your business growth needs to an incubator in our regional network, whether you're looking for:

- Help with seeking grant & investor funding
- Mentoring
- Co-working , shared or private office space
- Wet lab facilities
- Prototyping Space
- Advice on manufacturing resources
- Peer-to-peer networking and connections to the regional cleantech ecosystem

In addition, ACTION programs provide cleantech entrepreneurs with

- Highly discounted market research reports
- Grant-writing assistance
- Discounted conference fees and travel subsidies
- Business training programs and office hours with legal, accounting, marketing experts
- ACTIONPass program for short-term meeting space & programs in ACTION member incubators
