	9:45am-11:30am ET	Office hours with experts	Companies meet industry & business experts in 25min meetings to receive feedback and advice about specific aspects of their strategy (e.g. FDA regulation, clinical trials, reimbursement, hypotheses validation, road to market etc). In addition, meet other startups to share experiences.
	Oct-Nov	[Optional] Customized Introductions to Mass innovation stakeholders	ACTION Innovation Network will introduce you different stakeholders that may help you in your fundraising, clinical, research or commercial objectives in the US, depending on your interests, through videoconference call. Expand your network while you are not allowed to travel to the US.
3-day agenda in Boston		[Optional] trip to Boston (additional cost)	It is most important to establish trusted in-person relationships in Boston as you prepare your US market entry. The Pre-Landing program offers an additional 3-day agenda after the remote program is completed (dates to be set once startup is comfortable traveling to Boston). We highly recommend this 3-day option, which includes in-person meetings with the speakers of the online sessions, meetings and visits to local life science incubators, founder presentations, expert talks, and office hours with experts in Boston.

Time slot changes or additional sessions may be added. Sessions will not be recorded.
